

**THE
FOUNDRY™**

A ministry of the United Methodist Church

Our mission is to lay the foundation for future leaders to serve our community from the West End of Bowling Green through education, health and wellness, and spiritual development.

The Foundry K - 5 Summer Camp

Monday – Friday • July 10 - 21, 2023 • 8:30 AM – 2:30 PM

The Foundry K – 5 Summer Camp is for children living in the West End of Bowling and attending Dishman-McGinnis, Parker-Bennet-Curry, T.C. Cherry, or Warren Elementary Schools, who will be in Kindergarten through fifth grade the coming 2023 - 2024 school year.

Our campers enjoy a range of enrichment activities such as art, music, games, team building, and a daily devotion time. They also take several field trips to some of our local attractions. It is all a wonderful learning experience for them and an opportunity to make some great summertime memories that they might not have otherwise.

Attendance for our campers is at **no cost** because of our generous donors; however, there is **limited availability**. Registration forms are available at The Foundry and on our website at thefoundrybg.org. Again, spaces are limited and **the last day to register is Wednesday, June 28**.

Please email our Camp Director, Tonya Naftel, at [tinaftel@thefoundrybg.org](mailto:tnaftel@thefoundrybg.org) for more information.

Talent is universal. Opportunity is not.
